Keep us, O Lord, from pettiness, let us
be large in thought, in word, in deed.
Let us be done with faultfinding, and
leave off self seeking. May we put
away all pretense and meet each other
face to face, without self pity and
without prejudice. May we never be
hasty in judgement and always generous.
Let us take time for all things, make
ourselves grow calm, serene, and gentle. Teach
us to put into action our better im-
pulses, straightforward, and unafraid.
Grant that we may realize it is the
little things that create differences,
that in the big things of life, we are
one, and may we strive to touch and
know, the great Common Woman's
heart of us all; and O LORD GOD, let us
forget not to be kind.
